Khan Academy www.khanacademy.org

- Resources and tutorials for specific content areas

PELHAM CITY MIDDLE SCHOOL

209 Mathewson Ave. SW

Pelham, Georgia 31779

Ph: 229-294-6063 Fax: 229-294-6046

*John Hamilton
Principal*

*Dera Harkins
Asst. Principal*

Parents,

Please take the time to visit www.pelham-city.k12.ga.us, where you can find your child's attendance, grades and other information going on with your child's school. If your address, phone number or any other information changes, please contact us.

The log in process has changed, your child now has a log in, which will be the child's social and the password will be the birthdate (ex. 010200). You as a parent can log in by coming to your child's school and providing your driver's license (as proof that you are the parent) and Mrs. Free the registrar will walk you through getting in. This is a neat tool to keep up with your child's progress in school, with this password you can view any of your children in Pelham City School under one password.

If you have any questions, please feel free to contact Maria Free in the guidance office at (229)294-6063.

Thanks,

John Hamilton
Principal
(229)294-6063

Mission Statement:

Our mission is to promote learning through encouragement, resources, leadership, and communication.

THE GEORGIA SLDS PARENT PORTAL

The Georgia Statewide Longitudinal Data System (SLDS) is a free online tool developed by the Georgia Department of Education that helps States, Districts, Schools, and Teachers make data-driven decisions to improve student learning. Parents now have access to their children’s SLDS data through the SLDS Parent Portal. The SLDS Parent Portal is accessible to parents directly through their district’s student information system—that means no additional logins and passwords to remember!

BENEFITS OF THE SLDS PARENT PORTAL

Using Georgia's SLDS Parent Portal helps parents to:

- Monitor their children’s achievement on statewide summative assessments.
- Identify their children’s strengths and weaknesses in the domains that are tested in each subject area.
- Access online resources that are directly aligned to their children’s course standards.

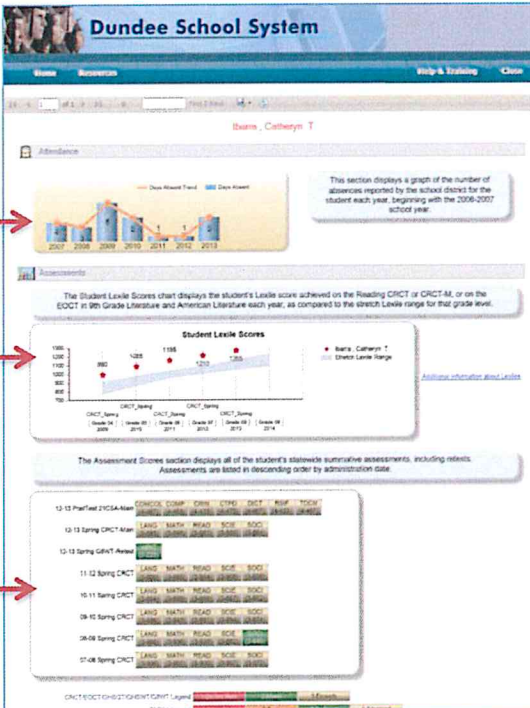

HOW TO ACCESS THE GADOE PARENT PORTAL

Parents can access the Georgia SLDS Parent Portal by logging in to the district’s Student Information System Parent Portal, then clicking the SLDS Portal button on the Parent Portal landing page.

WHAT’S IN THE SLDS PARENT PORTAL?

Student attendance history, Lexile scores, assessment scores, standards-aligned online student resources, and more! For more information about the Georgia SLDS Parent Portal, visit this link:

http://www.gadoe.org/Technology-Services/SLDS/Documents/SLDS_Parent_Portal_Guide.pdf
